April 2013 Edition

## Dear Wisconsin Children's Safety Advocates:

In March 2013, the U.S. Consumer Product Safety Commission issued a total of **8 recalls relating to products affecting children**. Attached is a summary of the releases identifying the product, the problem, and what should be done with the recalled product.

We have found that not all of the recalls are picked up by the news media as they occur. This monthly summary will give you the opportunity to review all of the children's product safety recalls for the past month. If you are interested in a complete text of the recall, double click on the hyperlink at the end of the recall description. This will direct you to the recall notice located on the CPSC website.

If you have other product safety questions you may call our toll free number at **(800) 422-7128**. The following is a listing of the 8 "KIDS" recalls by title and identification number (when available):

- Babyhome Recalls High Chair Due to Strangulation Hazard ([#13-155](#))
- iCandy Recalls Strollers Due to Strangulation Hazard ([#13-156](#))
- Bell Sports Recalls Helmets Due to Faulty Chin Strap ([#13-157](#))
- Bugaboo Recalls Strollers Due to Fall Hazard ([#13-153](#))
- JC Penney Recalls Crib Due to Suffocation Hazards ([#13-151](#))
- Bongo Recalls Toy Instruments Due to Choking Hazard ([#13-150](#))
- UNIQLO Recalls Children's Pajamas Due Flammability Hazard ([#13-140](#))
- Toys R Us Recalls Activity Walker Due to Choking Hazard ([#13-139](#))

# KEEP YOUR KIDS SAFE

**Release Number: (#13-155)** BabyHome USA Inc., of Chester, New Jersey, is announcing the voluntary recall of about 1,000 baby high chairs. This recall includes Eat model high chairs in red, black, green, purple, navy, orange, and brown. The model number BH2104 is located on a label on the back of the high chair. The word “babyhome” is printed on one leg of the chair and the word “eat” is printed on the opposite leg of the chair. The high chairs have a nylon fabric seat with a plastic tray and metal frame. The high chairs measure about 36 inches high and 24 inches wide. There is a printed white “babyhome” logo shaped like a backwards letter “h” on the seatback. The recalled high chairs have lot numbers: BH00301/01-2012, BH00303/07-2012, BH00304/09-2012 and BH00304/09-2012. The lot numbers are located on a sticker affixed to the bottom of the footrest.

**Problem:** The front opening between the tray and seat bottom of the high chair can allow a child’s body to pass through and become entrapped at the neck. This poses a strangulation hazard to young children when the child is not harnessed.

**What to do:** Consumers should stop using the high chairs immediately and contact BabyHome USA to receive a free crotch restraint repair kit. For additional information, contact BabyHome USA Inc. toll-free at (888) 758-5712 from 9 a.m. to 5 p.m. ET Monday through Friday, or online at [www.babyhome.es](http://www.babyhome.es).

**Release Number: (#13-156)** iCandy World, of Brooklyn, New York, is announcing the voluntary recall of the iCandy Cherry stroller only in the colors Fudge (light-medium brown) and Liquorice (red and black). The iCandy Cherry

stroller system has a telescopic folding frame where a seat, bassinet or infant carrier car seat can be placed. The seat unit features three recline positions, adjustable footrest, 5-point safety harness, removable canopy and removable bumper bar. These strollers were sold at Buy Buy Baby and other juvenile product stores nationwide and online at [www.buybuybaby.com](http://www.buybuybaby.com) and other online retailers from October 2009 through December 2012 for about \$400.

**Problem:** The opening between the bumper bar and seat bottom of the stroller can allow an infant’s body to pass through and become entrapped at the neck, posing a strangulation hazard to young children when a child is not harnessed.

**What to do:** Consumers should immediately remove the bumper bar from the strollers and contact iCandy America Inc. to receive a free replacement bumper bar. Consumers can continue to use the strollers while awaiting the replacement bumper bar. For additional information, contact iCandy America toll-free at (877) 484-4179 or online at [www.icandyamerica.com](http://www.icandyamerica.com).

**Release Number: (#13-157)** Bell Sports Inc., of Scotts Valley, California, voluntarily recalls about 2,500 Bell Full Throttle, full coverage bicycle motocross (BMX) helmets with a chin bar. The all-black helmets have UPC code 035011 937052 and part number 1009159 printed on a label on the side of the helmet shell. The Bell logo is affixed to the front and lower side of the helmet.

**Problem:** The buckle on the helmet's safety strap can release in an accident and allow the helmet to fall off the rider, posing a risk of head injury.

**What to do:** Consumers should immediately stop using the recalled helmets and contact Bell Sports for instructions on receiving a full refund. The company can be contacted by calling Bell Sports Inc. toll-free at (866) 892-6059, or by visiting [www.bellbikestuff.com](http://www.bellbikestuff.com).

**Release Number: (#13-153)** Bugaboo Americas, of El Segundo, California, voluntarily recalls about 9,200 in the U.S. and 960 in Canada the Bugaboo Cameleon3 strollers. The stroller has an aluminum and plastic frame with rubberized wheels, a removable seat and bassinet, a removable "U"-shaped carry handle, an under-the-seat storage bag and a sun canopy. The bassinet, seat and sun canopy come in a variety of colors. The removable carry handle is used to transport the bassinet or seat separately from the chassis. The words "Bugaboo" and "Cameleon3" appear on a fabric tag on the side of the sun canopy. Strollers included in the recall have serial numbers from 19010 11153 00001 to 19010 51248 00215. Serial numbers are printed on a horizontal bar of the stroller's chassis beneath the seat.

**Problem:** The stroller's carrying handle can break and detach posing a fall hazard.

**What to do:** Consumers should immediately remove the carry handle from the stroller's bassinet or seat and contact Bugaboo for a free replacement handle. While awaiting the replacement handle, consumers can continue to use the seat or bassinet when attached to the chassis but should not attempt to use the seat or bassinet separate from the chassis. You can contact Bugaboo Americas, at (800) 460-2922, or online at [www.bugaboo.com](http://www.bugaboo.com).

**Release Number: (#13-151)** JC Penney Corp., of Plano, Texas, voluntarily recalls about 73,000 PT Domusindo Perdana drop-side cribs. This recall includes 14 models of PT Domusindo Perdana wooden drop-side cribs. The name, model number and date codes are printed on the plywood mattress board.

**Problem:** The cribs' drop sides can malfunction, detach or otherwise fail, causing part of the drop side to fall out of position, creating a space into which an infant or toddler can roll and become wedged or entrapped, which can lead to strangulation or suffocation. A child can also fall out of the crib. Drop-side incidents can also occur due to incorrect assembly and with age-related wear and tear.

**What to do:** Consumers should immediately stop using the recalled cribs and contact customer service at Modus Furniture International to get a free immobilizer kit that will immobilize the drop side. The immobilizer kits will be available in May 2013. In the meantime, parents are encouraged to find an alternate, safe sleep environment for the child, such as a bassinet, play yard or toddler bed depending on your child's age. For additional information, Modus Furniture International at (800) 827-2129 or visit the firm's website at [www.savannababy.com](http://www.savannababy.com).

**Release Number: (#13-150)** Bongo Logic Development LTD, of Hong Kong, voluntarily recalls about 6,500 Basic Beat BB201 standard egg shaker. These recalled egg-shaker toy instruments are plastic, egg-shaped instruments sold in five colors: yellow, green, blue, red and purple. The toy instruments are about the size of small eggs and have a "Basic Beat" label printed on the front of the product. The product is marked for children ages 3 years and older but West Music is concerned with the possibility of the egg being used by or near a younger child. The toy instruments have Lot Number 0E0212 located on the bottom of the roundest part of the egg.

**Problem:** The outer "end cap" that is glued onto the top, smallest part of the egg can come off, posing a small part choking or aspiration hazard.

**What to do:** Consumers should immediately take the recalled egg shaker toy instruments away from young children and contact West Music for a free replacement. West Music can be contacted by calling (800) 397-9378 or online at [www.westmusic.com](http://www.westmusic.com).

<http://cpsc.gov/en/Recalls/2013/West-Music>

**Release Number: (#13-140)** Fast Retailing USA, Inc., of New York, N.Y. and UNIQLO USA LLC, of New York, N.Y. announce the recall of the UNIQLO children's pajamas. The recalled products are one-piece micro fleece garment made of 100 percent polyester knit fabric. They were sold in infant sizes 9M to 12M. The pajamas are footed and have a front zipper and long sleeves. The brand name "UNIQLO BABY" appears on the neck label. There are a variety of colors and designs, including red and black plaid print; navy, green and yellow plaid print; off-white with pink, yellow and gray dots print; pink with off-white, dark pink and gray dots print; brown and pink with white snowflakes print; navy with white snowflakes print; gray with deer; beige with deer. The serial numbers of the recalled product, located at the bottom of the neck label, include: 187-074142(24-04), 187-074143(24-04), 187-074144(24-04) and 187-074145(24-04).

**Problem:** The pajamas fail to meet federal flammability standards for children's sleepwear, posing a risk of burn injuries to children.

**What to do:** Consumers should immediately take the recalled pajamas away from children and return them to any UNIQLO store for a full refund. UNIQLO can be contacted by calling (877) 486-4756, or by visiting [www.uniqlo.com](http://www.uniqlo.com).

<http://cpsc.gov/en/Recalls/2013/Uniqlo-Recalls>

**Release Number: (#13-139)** Toys R Us Inc., of Wayne, N.J., voluntarily recalls about 9,000 Imaginarium Activity Walkers. They have a round wooden push handle on the top of a curved triangle-shaped wooden walker base with four wheels. There is a multi-colored metal xylophone with 2 triangle mallets, 1 multi-colored abacus and 1 scratch noise maker on the front of the walker. The walkers have multi-colored wooden, disc-shaped wheels. The walkers

measure about 19 inches tall and about 13 inches wide. The recalled walkers have model number “Toys ‘R’ Us 5F5E972” printed on the bottom of the activity walkers. Barcode number “3700217300319” is printed on the bottom of the activity walker box.

**Problem:** The small bolt and spacer that attaches each front wheel to the walker can detach, posing a choking hazard to young children.

**What to do:** Consumers should stop using the recalled walker immediately, put it out of reach of young children and return it to a Toys R Us store for a full refund or store credit. Toys R Us can be reached at (800) 869-7787 or by visiting the firm’s website at [www.toysrus.com](http://www.toysrus.com).
